

Starting School in Cheshire Important Information for You and Your Child

Children born between 1 September 2004 and 31 August 2005 are due to start school for the first time in September 2009, or in January 2010 as a deferred entry.

Changes in legislation mean that parents and carers must now apply for school places in Cheshire on Cheshire County Council's school admissions application form by the published closing date, which for Cheshire applications is **16 January 2009**.

So that we can include your child in this process, which will begin with us writing to you in September 2008, **you must provide the Authority with details of you and your child.**

You can do this by,

- completing the attached **REGISTRATION** form and returning it to the Authority at the address provided by **11 July 2008**;
- or you can **REGISTER** your child on our website at www.cheshire.gov.uk/admissions.

PLEASE NOTE THAT THIS IS NOT AN APPLICATION FOR A SCHOOL PLACE.

Applications for reception class places in September 2009 are made between **1 September 2008 and 16 January 2009**.

You will still have to apply between these dates stating three school preferences, but by providing your details now we can send you important information on the admissions process, including how to apply online, and a Cheshire application form.
