Issue No: 170

First Holy Communion

Year 3 children made their First Holy Communion last Sunday. It was a wonderful celebration and all the children were beautifully turned out. We were even blessed with a glorious day! Thank you to Fr Daly and Deacon Peter for a lovely service and to Mr Gerry Smith and all the staff for preparing the children so well.

Thank you also to Mrs Pearson for the flower arrangements which were absolutely beautiful.

A reminder to parents of Year 3 children : tomorrow (Thursday) there will be a special celebration of Mass at 9.30am, followed by photographs and then a party in the afternoon.

Rosary

Tomorrow will be the last Rosary session for the month of May. The Rosary will be said at 12.45pm for Key Stage 1 in Class 3 and for Key Stage 2 in Class 4. Please encourage your child to attend.

Sacred Heart

June is the month of the Sacred Heart. Our prayer focus with the children during June will be devotion to the Sacred Heart. Please take a moment to share the prayer below together with your child/ren.

O Sacred Heart of Jesus, burning with love for us, inflame our hearts with love of you.

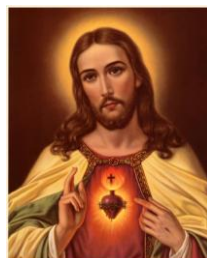

Love Him – fervently

Pray to Him – constantly

Trust Him – in everything

Visit Him – frequently

Receive Him – as often as possible

Reminder – Inset Day

School will be closed Friday 28th May for an Inset Day and re-open on Monday 7th June after the half term holiday.

Year 6 “Growing up Talk” – Reminder

Parents will be able to watch the ‘growing up’ DVD which the school nurse will be using with the children on **Monday 7th June at 12.30pm**. Dr Dixon will be present to answer any queries you may have regarding the DVD and its content.

New Intake Meeting and Visits for September 2010

Our meeting for parents of children who will be joining us in Reception in September will take place in school on Thursday 17th June at 6.00pm. The children will be spending some time in school on Thursday 1st July and Friday 2nd July – letters have been circulated regarding the times.

Science Workshop

On Tuesday 8th June Years 2 and 6 will take part in a Forces Workshop in the school hall. A letter will follow this week.

Street Dance

Street Dance after school finished this week. Parents of those children attending were invited into school to watch a final performance on Monday which was super! This after school club has proved to be very successful and will start again in September.

Diocesan School Building Fund

Despite Mr Smith’s reminder letter of earlier this month, unfortunately we still owe in excess of £1300 to the Diocesan School Building Fund. If you have not yet paid your £15.00 per child for this academic year, please send it into school as soon as possible. As Mr Smith explained if these funds do not come in, we will have to pay the outstanding amount from our own School Fund.

Garden Boxes

The children in Years 1, 2 and 3 are now busy planning what to grow in their class garden boxes which arrived on site this week. Among the plants already ordered are tomato, lettuce, radish, green beans, peas, potatoes, sweet peas and sunflowers. A big thank you to Mr Ashbrooke for assembling the boxes for us and filling them with compost.

Year 6 Transition / Moving On

July 14th is our Year 6 Feeder Day to St Thomas More. On this day all children transferring to St Thomas More in September 2010 are to make their way to and from St Thomas More independently. The day is directed and organised by St Thomas More staff.

Children transferring to Brine Leas will be attending their Induction Day on Thursday 24th June. Staff from all our receiving High Schools also visit the children here, make their introductions and also speak to Mrs King about academic, social, pastoral and friendship information which will benefit the children in September.

Year 5 Class Assembly

Last Friday we were entertained to a trip around the world when Year 5 children described all the multi-cultural activities they had experienced on their residential trip to the Conway Centre. We watched displays of Indian dancing and African drumming, together with drama and story telling. The finale was very exciting with a Haka – a Maori war dance! Photographs and art work are on display in the Key Stage 2 corridor and parents are welcome to come in after school to look at them.

Choir

You may have seen a photograph of our School Choir in last week’s Chronicle. Some of our choir children performed at St Mary’s Festival of Talent on Saturday 15th May. We were really proud of them, not only because they sang beautifully, but also because they represented the spirit of Christian fellowship which is so important here at St Anne’s. Thank you to all the children who gave up their time to perform, and to all the parents / carers who supported us.

Year 5 Transition

Parents / carers of children in our current Year 5 will shortly be receiving letters regarding their choice of High School for 2011. Please ensure that your form is returned by the date specified to secure your child's place at his/her preferred school. This is a legal requirement and without the return of the form, the Council will allocate your child a space in any school.

Basketball for Year 5 & Year 6

There is a basketball club running at South Cheshire College on Friday afternoons from 4pm until 5pm. The coaches involved are developing links with the Chester Jets. The club is free and is open to both boys and girls in Years 5 & 6. For further information, please contact the college on 654654.

Science Assembly

I would like to thank Mr Baxter and Mrs Gresty, who is the Science Ambassador for Air Products, for coming into school yesterday and giving a brilliant talk and demonstration to Key Stage 2 children. Some of the experiments were spectacular and certainly caught everyone’s attention – including the staff! These events in school are always very important in continuously developing further studies and interest by the children and science and technology.

As you can see the playground is now well under way and the children will be able to use it after the half term break. Many thanks to all the Friends members who have worked so hard for many years to raise the necessary funds, and also to you the parents for supporting our events to raise money. There are many more things we can do to improve the outside area so please continue to support us.

The Let's Bike Scheme commenced last Friday afternoon. Thank you so much to Mr Egerton and Mrs Kettle who are giving up their valuable time to undertake the scheme with the children.

Timperley Shield – Football – Years 5 & 6

Last night the Yr5/Yr6 football team played their final match of the group stages in the Timperley Shield competition. The match was against the Wyche Primary School. During the first half we dominated and scored 2 goals – well done to George and Konrad! Unfortunately the Wyche came back stronger in the second half and scored 3 goals. Well done to all the boys – despite losing their determination and enthusiasm was commendable!
